Argentina's hottest shoe designer **GRETAFLORA**
hits greece with her all -Tango inspired collection.

From powder blue to mouth-watering mint, the season's pastel colored confections are impossible to resist. Take style tips from the master of Palermo elegance and invest in classic pieces that will last. **GRETAFLORA's** expert shoemakers create each individual pair of shoes through a complex series of stages involving work by hand and the use of modern machinery.

The marriage of old world shoemaking tradition and modern technology result in shoes of exceptional quality. Only the most carefully selected leathers are used to create outstanding results.

With stores throughout the world, from Buenos Aires to USA we are one of Greece's premier shoe distributors.
